Notification

Consequent upon the unfortunate incidents occurred during 6th and 7th of this month, the institute had vacated all the hostels and arranged for all the students to go home for security reasons. The safety and security of students are of our prime concern. We then took up the matters with the local law and order authority and discussed with the local people who matter. All of them have assured their support for the security and bring back the situation to normal. The police department of the state has also promised us their cooperation in making the hostel and the institute more secured. Hence, we shall continue to carry out our normal academic activities as per schedule without any hindrance. The following is the schedule for resumption of classes and other academic activities:
