Students Guideline

1. The end-term special exam question paper contains only one part with two hour's exam.
2. As per the schedule based on the routine, the respective course instructor will upload the end-term exam question paper in the Google classroom under the Assignment category.
3. Students are advised to upload the hand-written scan copy of the answer script in the assignment category itself strictly as per the schedule. Otherwise, the uploaded answer scripts may not be considered for the evaluation.
4. Further, the students are advised to keep the hard copies of the answer scripts with them, and the same may be submitted to the respective course instructors later on.
