Functions of SIC are as follows:

- To conduct various innovation and entrepreneurship-related activities

- Identify and reward innovations
- Organize periodic workshops/seminars/interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators
- Network with peers and national entrepreneurship development organizations.
- Organize Hackathons, idea competition, mini-challenges, etc. with the involvement of industries.

The committee members are required to carryout the duties which are assigned by the CIIE.

This issues with approval of the Competent Authority and shall come into force with immediate effect.
