**Notification on End Term Examination**

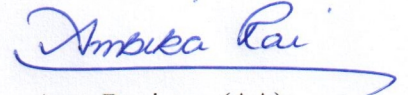

This is to notify to all B. Tech. M. Tech & M. Sc students (excluding Final Year) that due to the COVID-19 pandemic situation, the Academic Calendar of Spring 2020 could not be timely followed and the end term examinations are yet to be conducted.

In this regard, this is to inform the students that the end term examinations will tentatively be conducted in the month of July 2020. However, based on the Government advisory/directive, if situations do not favor, then the examinations will be conducted through online mode. The exam schedule and mode of conducting the exam will be notified to the students two weeks prior to the exam schedule.

There is also a possibility that the examinations will be held during the Summer Vacation Period in order to commence Autumn Semester 2020 as per Academic Calendar. All the students must prepare for the upcoming examination and are advised to keep in touch with the course instructors in respect of course material, additional assignments and doubt clearing sessions.

Further, it is also to be noted by all the students that any e-mails sent to the faculties, officials or staff of NIT Meghalaya should be done **only through the official email ID provided by the Institute** failing which the emails will be ignored and not be responded.

This issues with the approval of the Competent Authority.
