

NITMGH/AA/SENATE NOTIFICATION/2021-22/ 592

Dated: 06-05-2022

## NOTIFICATION

In pursuance with the Resolutions of the XXVIIIth Senate Meeting held on 18th April 2022, this is to notify to all concerned that the modality related to the “Best Thesis Award for M.Tech and Best Project Awards for M. Sc Students” has been approved by the Senate vide Resolution No. **R8/SENATE-XXVIII/22** as under:

1. The respective engineering department will nominate one student (from each department) based on their performance (**a score sheet needs to be prepared depending on novelty of work, originality, significance, applications and publications if any**) in the End Term Presentation (ETP) for the Best Thesis Award. It shall be considered as the first stage screening at the department level.
2. The respective science department will also nominate one student (from each department) based on their performance (**a score sheet needs to be prepared depending on novelty of work, originality, significance, applications and publications if any**) in the End Term Presentation (ETP) for the Best Project Award. It shall be considered as the first stage screening at the department level.
3. The nomination (with student details) must come from the HOD to the Chairman of this committee (after first stage screening) directly through an official notesheet mentioning the details of their performances in the ETP. A copy of the project report (along with publication if any) must be attached.

| Component(s)   | Max. Marks | Awarded Marks |
|--|------------|---------------|
| Novelty of work  | 10         |               |
| Originality  | 10         |               |
| Significance   | 10         |               |
| Applications   | 10         |               |
| Publications if any<br>(in ESCI/SCOPUS/SCI/SCIE indexed journal) | 10         |               |
| <b>Total Marks Obtained (Out of 50)</b>                          |            |               |

4. After receiving the nominations, the Chairman will form two different committees of external examiners from respective departments/research domains (involving Dean AA as the Convener of the committees) for the final evaluation of the Best Thesis Award and Best Project Award respectively.
5. The following points will be considered again by the evaluation committee during the final presentation of the awards in different groups (engineering and science departments): **novelty of work, originality, significance, applications and publications (if any).**

6. Selected students will be awarded the certificates on the pre-Convocation day.
7. The committee will also see the possibilities for cash prizes for the selected students by getting suitable sponsors.

This issues with the approval of the Competent Authority.
