

## NOTIFICATION

In pursuance with the Resolution of the XXIXth Senate Meeting dated 27/06/2022 regarding amendments in Ph.D/PG Ordinances, this is to notify to all concerned that the following amendments have been approved by the Senate vide Senate Resolution Numbers **R3(i-v)/SENATE-XXIX/22**.

**1. Course Work and Course Registration for Full Time Ph.D:**

- In general, one full time Ph.D Scholar has to earn minimum 18 credits during the course work, based on the recommendation of the DRC.
- Out of 18 credits, 9 credits shall be of Compulsory courses with 700 level courses while the remaining 9 credits shall be from non-compulsory courses.
- The non-compulsory courses shall be chosen from Masters Level courses onwards.
- If the department desires, more number of 700 level non-compulsory courses, over and above the existing ones, can also be offered by following the approval process with IQAC format.

**2. Course Work Credit Exemption:**

Ph.D Scholars who have completed his/her PG in the relevant field within the preceding two years, from the date of admission, are only eligible for exemption upto 9 credits non-compulsory courses. The recommendations for course work credit exemption should be forwarded by the DRC and subsequently approved by the Competent Authority at the beginning of the 1st semester itself, so that the same is reflected in the course registration form.

**3. Academic Leave for Ph.D Scholars in the First Year**

During the course work period, the scholars can avail Academic Leaves (max. of 20 days in a calendar year) during semester breaks only and on recommendation of the DRC and subsequent approval of the Competent Authority.

**4. Required Work Experience for Ph.D/M.Tech Sponsored Programme.**

**a) M.Tech Sponsored Programme:**

Two years of regular experience in the current organization, after completion of B.E/B.Tech or equivalent, as Scientist/officer/Engineer/ technical staff etc. in the discipline for which admission is sought.
