

Safety tips for fishing and riverside adventure

- Check weather conditions before you proceed for fishing or any riverside camping or trekking.
- Always tell friends or family of your plans – where you are going and when you will be returning
- Watch the water at all times as conditions can change dramatically in a short time.
- Don't venture into unsafe areas like deep water ,slippery rocks and swampy areas.
- Wear a personal flotation device and carry safety gear and a first-aid kit.
- Wear appropriate shoes with non-slip soles.
- Check the rocks as they are slippery especially during the monsoons.
- Check water before fishing.
- Never fish alone – always fish with a friend.
- Don't drink alcohol while fishing.
- Don't swim in deep water
